COURSE DESCRIPTION

PRIVATE LESSONS

These lessons are 1 on 1 with a French teacher who will design classes based on your level and needs. Private lessons generally focus on grammar with the possibility of putting it into context with your personal and professional life. Lessons can be 1 hour or 1h30. Please note that if you opt for the online package, it is not possible to revert to face-to-face lessons once the application is submitted.

GROUP SESSIONS:

Choose from the following 2 options and mix and match depending on the number of hours available in your package:

- **GUIDED CONVERSATIONAL WORKSHOPS (ONLINE) – 15 hours (2-3 students)**

Practise your conversational skills with a teacher and one or two other students.

The teacher will suggest a topic and encourage students to express their thoughts in a structured way. Feedback will be given at the end of the lesson with new vocabulary and expressions. This is a perfect way to step away from grammar work and put everything into practise.

Sessions are 1 hour per week **online** and must be booked as a block of 15 hours.

- **GROUP COURSES IN OUR PREMISES (FACE-TO-FACE)– 15 hours (4-9 people)**

Focus on grammar development and putting it into practise with roleplays and everyday situations within the group. Groups can vary between 4 and 9 participants.

Our group courses can be in a weekly format (1h30 per week for 10 weeks) or a bi-weekly format (2 lessons of 1h30 per week over 5 weeks) at set times in the year.

See our course calendar attached or check out our course booking link.

E-LEARNING

Our e-learning platform enables you to learn and practise grammar and vocabulary in your own time. You also have the opportunity to read articles, blogs and do listening and reading exercises. Teachers can guide you and give you homework on the platform.

It's important to know that ALL hours in your package must be completed in order to receive your full funding. PDS Formation cannot be held responsible for uncompleted work.
